APPLICATION GUIDELINES

The Latin Network for the Visual Arts, Inc., (LNVA) is a non-profit 501(c)(3) art organization whose mission is to enrich the community through the visual arts.

Established in 2003, the LNVA exhibits contemporary fine art ranging from the abstract to expressionism, to realism, created by Latin artists whose roots lie in countries where the Romance languages are spoken.

Through its *Latin Views* biennial exhibitions, the LNVA has established its identity in the international art community; through a series of other innovative bilingual educational and cultural programs it has also developed a strong local presence, serving the community.

The LNVA is pleased to make its cultural and educational programs available at no cost to the community; LNVA projects are financed primarily by the generous contributions of private individuals, with additional funding coming from corporate matching funds, the support of businesses and philanthropic foundations.

SHIPPING AND INSURANCE:

The artist is responsible for shipping and insurance costs to and from the exhibition and should purchase appropriate insurance coverage for his or her artwork. LNVA is not responsible for the artwork while in transit.

Artists are expected to ship their work properly packaged to protect it from damage during transport. The LNVA will handle artwork with all possible care once received. Although LNVA will prepare and package unsold work for return shipping, **the artist must include in the original shipment a return "shipping document" issued by their chosen shipper. These return shipping documents can be easily obtained by opening an account with shippers, such as UPS, FedEx, or DHL. *** (Please note that this is different than an "address" label generated by the artist. See attached example of shipping document for FedEx)***

All return shipping will be scheduled for the period between October 30 – November 5. LNVA will not be responsible for artwork whose return shipment has not been arranged by November 5, 2012.

ENTRY FEE:

The non-refundable application fee of \$30 U.S. is required with your application. Please enclose a check or money order made payable to: LNVA. Applications and fees will not be returned.

IMAGES AND THEIR USE:

Only digital images on a CD are accepted.

Please include **one image** for each 2-dimensional piece, and **two images** for 3-dimensional pieces (representing two different sides of the work). Label each piece by title, date of execution, medium, and size, and label the CD with the artist's full name and country represented.

Note: ours is a PC office environment. When submitting in a digital format, please be certain that it can be opened in Windows. If you have any questions about the format of materials you intend to include, contact our office prior to submission.

Images are used for publicity, invitations, the catalog and posters, therefore, excellent quality images are paramount. We prefer 600dpi JPEGs with the ability to print an image as large as 8" x 10" (19 x 24 cm).

Please do not ask us to look at your website for work samples. Although we may wish to look at these images at some point, we **will not** do so as part of the jury selection process.

Artists who participate in the exhibit give LNVA permission to use accepted images for publicity of the exhibition and the organization. All participating artists will have at least one image displayed in the Latin Views 2012 biennial exhibition catalog and poster.
